

# Put TRW to the test.

**#1**

**Sealed-for-life Low-Friction Designs.**

For performance in today's complex systems, longevity and reduction in warranty claims and costs.

**#2**

**Fit. Form. Function.**

OE grade hardware included, ensuring proper fitment.

**#3**

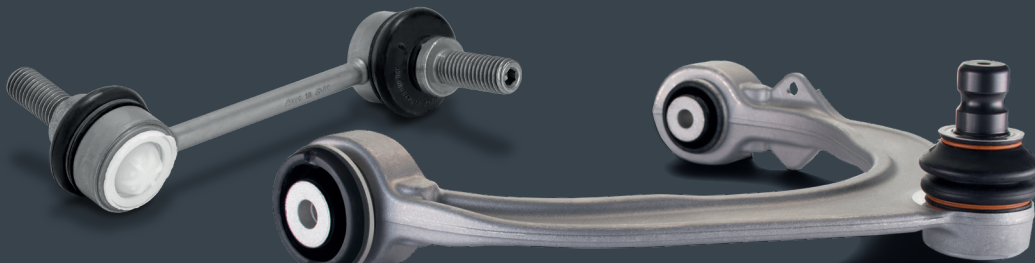

**Four levels of testing/technical/audit review.**

Each part tested for safety and endurance.

## OE in the Box

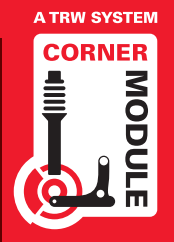

100 + years of experience in OE manufacturing.

The world's largest OE chassis manufacturer, with almost one in two vehicles (44%+ OE MS) fitted with the OE part as standard. TRW branded chassis is the only program in North America that can make the claim that over 30% of the program offering is **GENUINE OE PRODUCT IN THE BOX.**

### Vehicle Manufactures with a TRW or Lemforder OE product fitted from the North American Program
